## ***DESCRIPTION***

### ***The haven of Mauritius Eco-tourism***

**Domaine de l'Etoile** is best described by visitors themselves. “Splendid, wonderful, stunning, enchanting, amazing” are some of the many words used by enthralled nature lovers during their **Quad biking, Horse riding, Archery, Mountain biking and Hiking** circuits. The dazzled visitors will witness, in turns, spectacular panoramas, Java deers and endemic birds. The intensity of this discovery trail contrasts with the quietness and peacefulness of the restaurant where guests like to recall the special moments of the day while enjoying the tasty local cuisine.
