## BREAKERS BAR

### INTRODUCTION

Shaken, not 'stirred' is part of the language today and we know where that expression originated from, Ian Flemings, noble action hero James Bond.

But no historians doubt that the cocktail as concept originated in America. The term 'American Bar' as it was called in Europe, was introduced in England in 1859 by Jerry Thomas, one of the most famous bartenders throughout time.

At Maradiva Villas, Resort and Spa, we offer you a contemporary design set in a distinguished atmosphere offering an unrivalled selection of cocktails.

Should you not find a cocktail to your liking, our barmen, with their know-how, will be delighted to go out of the menu.

*Frappé, pas «remué» fait partie intégrante du langage d'aujourd'hui et nous savons d'où cette expression nous provient, Ian Fleming, noble héros de film d'action James Bond.*

*Aucun historien ne mettra en doute que le concept du cocktail prend sa source aux Etats-Unis et introduit en Europe en 1859 avec les « American Bar » de Jerry Thomas, l'un des plus célèbres barmans de l'histoire.*

*Au Maradiva Villas, Resort and Spa, nous vous proposons un design contemporain dans une atmosphère distinguée offrant une sélection inégalée de cocktails.*

*Pour tout autre cocktail ne se trouvant pas à la carte, nos barmans, avec leur savoir faire, se feront un plaisir de vous préparer les boissons de votre choix.*

The number of smokers, Hookah is estimated at 100 million around the world, mainly distributed in Africa, Asia and the Middle East.
