The Oberoi, Mauritius has its own boat house where a range of water sport can be organized for free of charge like Water Ski, Snorkeling trips, Glass bottom boat, Wind Surfing, Hobbie Cats, Pedalos and Kayaks.

We also have a Scuba Diving centre with a wide selection of dive site where diving can also be organized with a nominal charge. Discover Scuba Diving courses are also available for beginners.

We do also have a list of complimentary activities known as our "Touching Senses programme" which includes: Sculpture class, star gazing, Hindu ceremony henna painting, painting classes, cooking demonstration, wine tasting sessions and nature walks.

Mauritius is a small island but with a lot of places to visit. Starting by the Northern Trip where you can visit the Pamplemousses Garden, L' Aventure du Sucre- Sugar Museum, Port Louis which is well known for his handicraft Market and Vegetable Market and Grand bay for the shopping mall.

Our most popular trip is the South Trip which is a full day trip in the south of the island where you will visit the Trou aux cerf crater- Dormant volcano offers a panoramic views of the Island, Grand Bassin- Sacred lake for Mauritian Hindus, Chamarel seven colored earth and Chamarel Waterfalls, Casela bird park- a leisure park to see birds, walking with lions, quad biking and safari, Bois Cheri Tea factory and the tea plantation, La Vanille Crocodile park.

A thrilling experience: Walking with the Lions...

This is a new design adventure here in Mauritius: The Casela Nature Park offers the opportunity to interact with lions for over half an hour.

During the interaction with the lions, you have the possibility of taking pictures with them and cuddling them as well. This experience is really worth it. For more detailed information, please visit the website: www.caselayemen.mu.

Sight- seeing tours by the helicopter for a duration of a range of 15 mins to 60mins where you can experience the beauty of the island with an enchanting sights of pictures postcard transparent lagoons, pristine coastlines, undulating sugarcane fields and other spectacular views.

If you want to have an ultimate power boating experience a full day speed boat trip can also be organized for a half day or a full day trip to explore the Northern Island , the West coast or the East coast of the Island. Dolphins seeing can also be organized. The cost of the trip are depending for half day or full day or on the location.
